NARRATIVE:

Kaowili, an active member of the "Sons of Samoa" street gang, has an extensive adult criminal history that began at the age of 20 and includes convictions for robbery, willful discharge of firearm-negligent manner, make fictitious check, fraud, identity fraud, possession of controlled substance, and violation of supervised release. Kaowili has served four prison terms, the longest being nine years for willful discharge of a firearm. He was released most recently, after serving a two year prison term, to the supervision of the Los Angeles County Probation Department on 11/29/2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2013 after Kaowili absconded from post release community supervision (PRCS). Kaowili qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance, is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
